Dear Mike,

I am deeply grateful for your kind remembrance after the announcement of my elevation to the College of Cardinals. The decision of Pope Francis has surprised and humbled me. Your encouraging words and prayerful support are precious gifts and vivid signs of the love we share in Christ.

Please pray that I may grow in love for Jesus, the Good Shepherd, and serve his People with greater and more generous love. I hope that I may be useful to the Holy Father in his mission of caring for the Body of Christ.

As I thank you for your kindness, I promise you my friendship and the support of my prayer.

In Christ the Redeemer,

+ Joseph W. Tobin, C.Ss.R.
Archbishop of Indianapolis

My thanks to all the Seniors who
generously support the promotion of
vocations.
